What We Do for Your Practice

Full Google Business Profile optimization tied to one.

FlowSmartly is an AI-powered growth platform built for local businesses. We combine brand-aware content, automated local listings, campaign tools, and reporting in one place.

Client Need

Most dental searches happen on Google with strong local intent - 'dentist near me', 'teeth whitening', 'emergency dentist'.

Your Four-Week Launch Timeline

Perks & Benefits of FlowSmartly

- Week 1: Audit & Setup - Profile access, keyword research
- Week 2: Content & Citations - Launch weekly posts, upload geotagged photos
- Week 3: Reviews & Q&A - Activate review request workflow, draft owner responses
- Week 4: Report & Refine - Deliver first performance report
- Month 2+: Compound Growth - Ongoing posts, reviews, photos, citations

No Contract
No Automatic Billing

Why This Matters for Your Practice

- Higher visibility in Google's local 3-pack for dental searches near your clinic
- More phone calls and direction requests from ready-to-book patients
- Stronger trust through a steady flow of fresh reviews and timely responses
- Professional, consistent brand presence across Google and key directories

When someone nearby searches for a dentist, ABC Dental Studio should be the first practice they see, trust, and call.

What Your Local Growth Looks Like

We will focus on measurable local growth, including 2-3x more profile views.

How This Works

Month-to-month service with no long-term contract.

- Service begins within 3 business days of profile access and onboarding details
- You provide Google Business Profile manager access, service details, photos, and timely approvals
- Month-to-month agreement - cancel anytime after the first 30 days with written notice
- Refunds are not issued for completed work; unused time can be paused with prior notice

Next Steps

- Reply with your preferred contact details.
- Share the required profile access.
- Share logo, photos, services list, and any current promotions
- Complete onboarding details.

Ready to Climb Into Google's Local 3-Pack?

When someone nearby searches for a dentist, ABC Dental Studio should be the first practice they see, trust, and call. FlowSmartly will fully optimize your Google Business Profile, publish weekly local posts, manage reviews, and strengthen citations so you climb into Google's local 3-pack.
